Newsletter Issue 223

20th March 2020

Dear Parents and Carers

A newsletter to you all at this challenging and sad time

The staff would like to thank you for your support and kind words during this past week. It is a challenging time for all, and every family has been affected in many and different ways.

It is with deep sadness that we say goodbye to the children today, but we look forward to opening our doors as soon as possible to welcome them all back. Your children have been amazing throughout this experience and we are extremely proud of each and every one of them.

I would like to thank the staff for their dedication and support during this time and in the weeks ahead. Their diligence and care for the children is overwhelming and a huge part of why Christ Church School is such a special place.

We will remain in contact with you via texts and emails and please do not hesitate to contact me should you have any concerns or questions, or even just want to say hello.

Thinking of you and your families during this uncertain time.

With love and best wishes from Elena Print

***"And the people stayed home.
And read books, and listened, and rested,
and exercised, and made art, and played
games, and learned new ways of being, and
were still. And listened more deeply. Some
meditated, some prayed, some danced.
Some met their shadows.
And the people began to think differently.
And the people healed. And, in the absence
of people living in ignorant, dangerous,
mindless, and heartless ways, the earth
began to heal.
And when the danger passed, and the
people joined together again, they grieved
their losses, and made new choices, and
dreamed new images, and created new
ways to live and heal the earth fully, as they
had been healed."***
