Let us love one another,
because love comes from
God and knows God.
1 John 4:7

Your heart will become
wise. Your mind will delight
in knowledge.
Proverbs 2:10

I have come so that they
may have life and have it to
the full.
John 10:10

17th March 2020

Dear Parents

I am emailing you to update you on the school's position re the Coronavirus. Please can I reassure you that we continue to follow all the safety procedures and advice recommended, and your children are regularly being encouraged to wash their hands.

You may notice that pupils are absent from school. This is because their families are choosing to follow government advice and are staying away from school for 14 days, if any member of the household has a new cough, headache or temperature. This doesn't mean they have COVID-19; it simply means that they are following government guidance to ensure the school community is as safe as possible in the current situation.

Each individual family circumstances is different and if you choose to self-isolate, please do not post this on social media, as this can cause extreme anxiety and worry for other families.

If the school is instructed to close, we will be providing online work for the children to do at home. We can not provide this if the school remains open as this would prove to be a burdensome workload for staff. We do, however, have My Maths which provides daily lessons and would suggest reading, spellings, timetables, and online learning websites to support you.

We are receiving daily updates and will inform you as soon as we have any new information.

Best wishes

Elena Print
